### Across

- 1** Location of Neo-Nazi enclave operating out of boxing gym at centre of recent protests
- 8** Lone nut (initials)
- 9** City destroyed by G-d for unspeakable wickedness
- 10** Australian supermarket chain and meeting point (in carpark of West Sunshine store) for recent anti-Nazi protests
- 12** Prefix denoting technological enhancement, labour-saving automation or absence of basic humanity (call, cop, debt etc.)
- 13** Restricted military area in central Victoria associated with National Service and training of conscripts for war in Vietnam (referenced memorably by *Redgum*) (abbrev.)
- 15** Controversial Stephen King novel about misfit children terrorized by evil clown in leafy New England setting
- 16** "... barada nikto" Debonair alien played by Michael Rennie in 1951 Cold War classic (with mysterious, untranslated alien message inspiring endless speculation amongst nerds as to meaning) (also cautionary, eco-themed 2008 remake starring Keanu Reeves and obnoxious earth child)
- 18** Steal, kidnap, capture, apprehend, seize, grab
- 19** Expressing the movement or action with the result that someone or something becomes enclosed or surrounded by something else; also taking a passionate interest in something ("He's really ... speed metal")
- 21** Old Testament *or* *Ozzy Tyres* (initials)
- 22** Pioneering, British proto-thrash/speed metal band formed in Newcastle upon Tyne in 1979 enjoying recent revival (FKA *Blind Fury*) (and *Pariah*)

- 23** Taxed Enough Already (initials)
- 24** Nazis Out Of Sunshine (initials)

### Down

- 1** Confronting, nine-piece, nu/death metal band from Des Moines known for scabrous nihilism (*Mate. Feed. Kill. Repeat., People = Shit* etc.) and scary masks
- 2** Having hoofs
- 3** *Syntactic Structures or Sensual Seduction or Surfin' Safari* (initials)
- 4** Poetic form employed by Andrew Marvell in famous paean to crushing of Irish by Cromwell in 1650
- 5** *I Do, I Do, I Do, I Do, ...* Catchy *Abba* song (1, 2)
- 6** Unwatchable film masterpiece of Kon Ichikawa (released in West as *Fires on the Plain*) about descent into madness and cannibalism of last remnant of Japanese army stranded on island in Philippines after defeat in 1945 (Japanese title)
- 7** Love, hate, happiness, despair, anger, fear, loss, resentment, envy, self-pity, self-hatred, nervous apprehension, hopelessness, existential dread etc., etc.
- 11** Contentious slogan from BLM movement (not "Always Was Always Will Be", "Pay the rent!", "White silence = violence or "I can't breathe") (initials)
- 14** Kenneth Anger *or* King Ahab *or* Kemal Atatürk (initials)
- 17** ... *Others* US Goth metal overlords from Portland (*When Will Gods Work Be Done* etc.)
- 20** Tommy and Ozzy (initials)
